

Limited Warranty

Shattered Glass Audio warrants to the original purchaser that the kit will be complete and that all parts and components will arrive as described, functioning and free of defect when the DIY kit is purchased as NEW directly from Shattered Glass Audio or an authorized dealer. Using any of the components in any way (including, but not limited to, handling, soldering, clipping, cutting, and stripping) voids this warranty. Shattered Glass Audio does not warranty that you will successfully complete the unit, the completed unit as a whole functioning unit, or any of the individual parts once they have been used. If you have a component that is used, but feel it was defective prior to you using it, we reserve the right to determine whether or not the component was faulty upon arrival. Shattered Glass Audio will not accept any returns without prior authorization, prepaid freight, and proper insurance.

There are no warranties, expressed or implied, other than those expressed herein. Further, there are no implied warranties, including the warranty of merchantability or fitness for a particular purpose beyond the warranty conditions set forth above.

Limitation of liability: The above warranty represents purchaser's exclusive remedy, and Shattered Glass Audio shall not be liable for any special, incidental, or consequential damages or expenses relating to the unit sold.
